Event Planning

Academic, Career, Wellness and Social

➔ Increase communication between students and representatives
➔ Encourage collaboration and build stronger relations with sub-umbrella organizations in Viterbi School of Engineering
➔ Hold events that meet the needs of the student body with a focus on career building, mental health, and wellness
➔ Provide a platform for DEN students to get more involved and engaged with the university

Social Media

Website, Facebook, Instagram, LinkedIn

➔ Articulate ways to “get involved” with leadership and events
➔ Establish LinkedIn page for current students and alumni
➔ Increase traffic on all social media platforms

Student Representation

Leadership & Elections

➔ Increase diversity of student representatives in Senate
➔ Deepen relationship between Senate and Viterbi administration
➔ Set up election polls though website
➔ Create special provision to encourage participation from minority departments
